

Community Mosaic Mural

Celebrating the wilderness and wildlife of Northern Ontario

Project Description

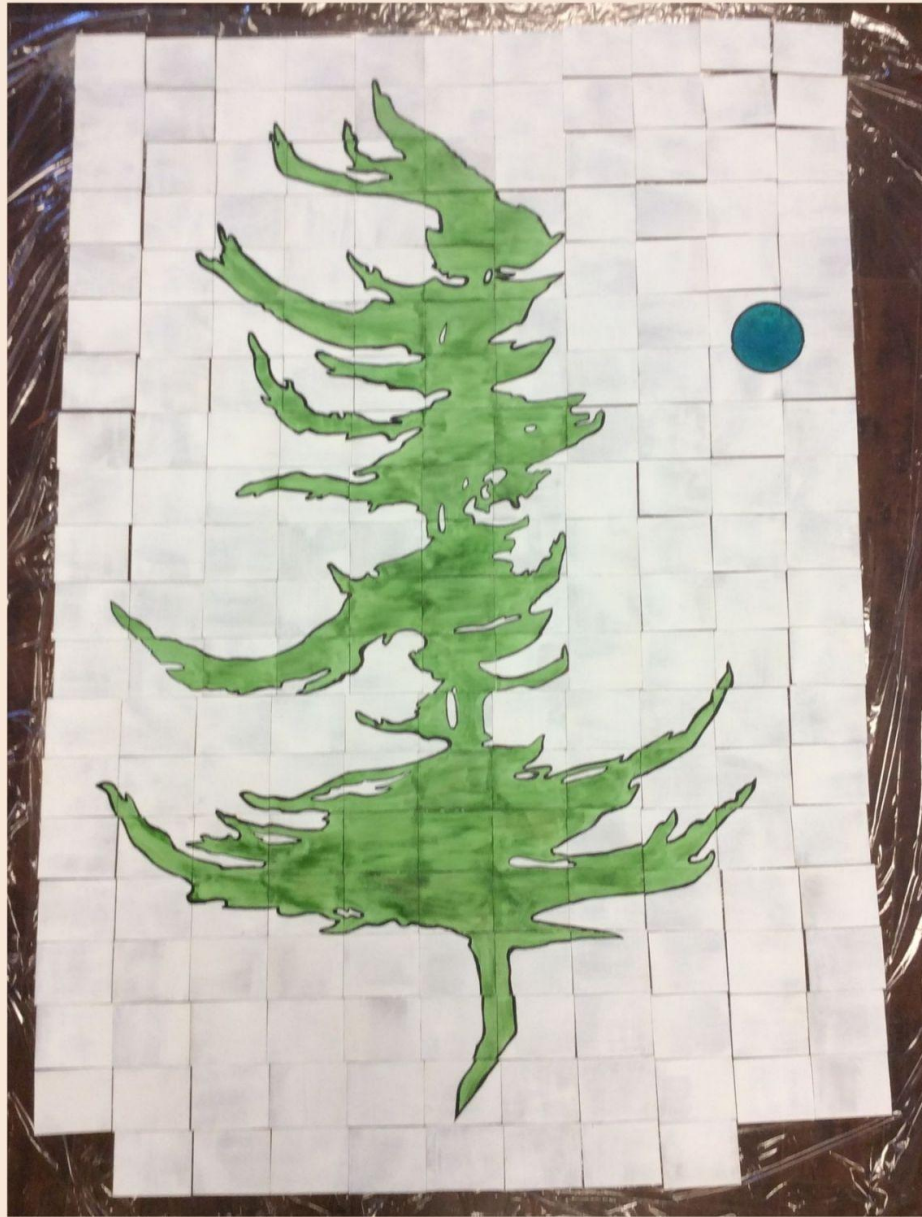

The Temiskaming Art Gallery presents the *Community Mosaic Mural* as part of the 2021 Art in the Park line-up.

In response to the worldwide pandemic, the Temiskaming Art Gallery is once again reimagining our 2021 Art in the Park summer festival. We are inviting artists from all over the region to join us in the creation of a permanent outdoor mural to be displayed in Haileybury at TAG's community art studio, the Open Studio Libre (OSL). Participants will be asked to contribute mini-paintings reflecting the *wilderness and wildlife of Northern Ontario*. Together the mini works will be assembled into a large collaborative work reflecting the diversity of our community and surrounding ecosystems. As we distribute and collect tiles, select mini works will be featured in our mini gallery found on the exterior of the Studio. Once all works have been received they will be assembled, varnished and mounted to their forever home.

We hope that you will join us in the creation of this exciting new piece of public art celebrating the wilderness and wildlife of Northern Ontario.

Entry:

1. Artists must work on the 3" by 4" tiles provided by the Temiskaming Art Gallery.
2. All tiles given out must be returned no later than July 30th.
2. Some tiles will include black contour lines. These lines must not be covered or altered as they are part of the larger composition.

Each tile is 3 inches tall by 4 inches wide (landscape orientation). The Mosaic will continue to expand beyond the central design to form a square mosaic between 6 and 7 feet in length as determined by the number of submissions.

The TAG Mini Gallery Petite Galerie will be fitted with an interior light creating a curious and inviting miniature art exhibit available to the public 24/7. This mini gallery can be found on the exterior of the Open Studio Libre located at the main intersection in downtown Haileybury.
